

## Are You Ready to Be an Entrepreneur?

This is a general questionnaire to help you to assess how entrepreneurial are you. Questions are intended for you to evaluate your characteristics, resources and experience to relate your suitability and readiness in becoming your own boss.

**Please answer the following questions to the best of your ability.**

Personal Characteristics	Strongly Disagree	Disagree	Agree	Strongly Agree
1) I'm a self-starter and I'm capable to lead a team.				
2) I'm prepared to make sacrifices (eg long hours, social life, family time, no salary, lower standard of living) to run my business.				
3) I have the perseverance to withstand criticisms, setbacks and rejections along the way.				
4) I'm willing to wait indefinitely for my business to take shape and break-even.				
5) I look on the bright side whenever bad situations arise.				
6) I can concentrate on running several matters at one time.				
7) I always plan carefully before embarking on a task				
8) I'm not afraid to take up challenges.				
9) I manage well when handling difficult situations.				
10) I always look for new solutions when I encounter problems				
11) When I take on a task, I'm confident that I can execute it successfully.				
12) I consider myself a good team player.				

Resources & Experience	Strongly Disagree	Disagree	Agree	Strongly Agree
13) I have a general business idea / plan in mind.				
14) I have experience in a business similar to what I intend to start.				
15) I'm able to obtain sufficient capital for my business to get started.				
16) I have a network of contacts to rely on who can help my business grow.				
17) My family is supportive with my intention to start a business.				
18) My financial capacity can enable me to afford losing most or all of my money in the business.				
19) I have capable partners on board with me to start a business.				

### Do you think you are ready to start a business?

- No
- Not Really
- Uncertain
- Yes

### Conclusion

If you have answered “Strongly Disagree / Disagree” in most of the questions, your suitability as an entrepreneur is questionable and you may find yourself in a better position in a secured job.

If you have answered an even mix of both “Agree / Disagree” in most of the questions, it appears that you do possess some traits of a successful entrepreneur with some lacking qualities. It is important that you identify your weakness and make it up by improving yourself in the necessary areas or hire someone who can excel in it.

If you have answered “Strongly Agree / Agree” in most of the questions, it appears that you have what it takes to become a successful entrepreneur.

*Please note that although the questions contained herein are believed to be reliable, the questionnaire assumes no responsibility for the correctness, sufficiency or completeness of the answers to the conclusion*
